

# *Preschool Times*

*Week Ending Nov. 10, 2017*

## **Preschool Topics**

This month we will focus on the topic of giving thanks. To start we will offer thanks for our veterans and military. The freedom we enjoy in this country was paid for with great cost and the sacrifices of others. We will talk about people we know in the military currently or from the past. Our show and tell this week will focus on veterans and military people. We will be offering prayers to our veterans and military and for our country.

As we begin study the Thanksgiving holiday in this country, we will look at our own individual cultures, heritages and traditions. We will also do a study of food and nutrition. More information will be shared in the coming weeks about these topics.

## **Thank you!**

Thank you for the wonderful conference week. It was great seeing all of you! It is a pleasure to have such connected and committed families.

If at any time you would like to conference through the year, just let me know. We continue ongoing evaluations of each child's progress.

The next formal assessment period and conference time will be through late Winter and into early Spring.

## **Pizza Snack Days**

For Thanksgiving we make pizzas using biscuit dough and traditional pizza ingredients. Please see the sign up sheet on the mail cart for items needed.
