

## **ST. BRIGID PARISH MOBILE APP**

The new **St. Brigid Parish Mobile App**, a convenient and easy tool to keep in touch with our Parish. In a technology-centric world, this new app puts St. Brigid at the forefront of ease and efficiency. Please follow the instructions below. We want to assure you that the registration step is a necessary security measure to protect our activities and data. The St. Brigid app is free but unlike other free mobile apps, there are no advertisements and your personal data is not going to be sold or be made available to anyone outside of our school or parish staff. Our app will not increase your digital footprint. Go to the websites below for your device then download the app. Once you have downloaded the St. Brigid App to your mobile device, then register for the app by clicking on the "Create new Account" text on the front login page. You will be sent a confirmation e-mail to confirm your registration. Click on the Activate Account Button on the e-mail you receive and then type in a password that you would like to use for accessing our app. Once you are logged into the app, complete your Profile Settings including Contact Information, Notification Preferences, and select the Groups you would like to receive app posts/information from.

Our St. Brigid App is available at no charge on the Apple App Store, Google Play Store, or for PC's using an Internet browser.
