

Jim Fleisher Memorial Golf Outing

Twentieth Anniversary

From the beginning, our goal was to build a perpetual endowment to support scholarships for Xenia High School and St Brigid School students. *A successful outing this year will get us there!* We are excited to share the camaraderie and friendship developed over the years at our last outing. There have been individuals, who held this outing deeply in their hearts, but are no longer with us. Although they are not with us physically to experience this exciting conclusion, we will be honoring them in a special way this year. The Fleisher Family and Outing Committee wish to thank you for helping us reach this milestone.

Sunday – October 3, 2021
