

MISSION FAQ

• Where is the Lenten Mission happening?

The Mission will take place over three nights at three of the Parishes in our six parish family. The first night is at St. Luke, the second is at Mary Help of Christians, and the third is at St. Brigid.

• Are the talks the same every night?

No, Dr. Ray will present on a different aspect each night (Marriage, Family, Faith).

• If I can't make it for a night should I not come to the rest of the mission?

The Lenten Mission is intended to be experienced as a whole. So, we recommend trying to attend every night. **However**, we highly encourage everyone to come to whatever they can, even if it is only one talk on one night.

• Do I have to register to come?

No. No one is being asked to register for the mission itself.

Out of courtesy to our teams assisting with Childcare and providing meals we are asking for registrations for those. If your schedule changes last minute and a babysitter falls through or you are able to join us for dinner, please do not stay home only because you didn't register.

• What will the meals be?

Each host parish is generously providing dinner for everyone who attends the mission. Dinner is between 5:00 & 6:15pm. The schedule is as follows:

- Sunday - St. Luke - Shepherd's Pie
- Monday - Mary Help of Christians - Heavy Hors d'oeuvres
- Tuesday - St. Brigid - Taco Tuesday

- **Driving at night is difficult for me. Is there anything available during the day?**
-

A daytime event on March 21 with Dr. Ray is presently being explored.

- **When and where is the Children's program?**
-

The children's program runs concurrently with the Lenten Mission as it occurs in the Church.

Parents should drop-off their children between **6:15 and 6:30pm** at the host site's location.

Parents must sign their children in and out.

Sunday, March 19 - St. Luke's Gym

Monday, March 20 - Mary Help of Christians' St. Francis Hall

Sunday, March 21 - St. Brigid's Cafeteria

- **Will there be another time for Confession this Lent?**
-

One can always join us for Reconciliation during our regularly scheduled times (see your parish's bulletin) or make an appointment with a priest.

However, the Confession times offered during the Lenten Mission (5:00-8:00pm) represent the Family's unique Lenten opportunity for the Sacrament.
