

## **SCHOOL UNIFORM**

Parent/guardian cooperation to enforce the dress code is essential. Parents/guardians should be aware of appropriate apparel and overall appearance and should see that their children leave for school looking their best. All staff members will enforce the dress code. The dress code may change during the school year. Parents and students will be notified in writing when such policy changes occur. When it is determined that a student is not dressed according to the Dress Code Regulations, a parent will be called. The parent must bring proper uniform item(s) to school. The principal reserves the right to revoke out of uniform privileges from students who consistently disregard the Dress Code Regulations set forth in this handbook. All clothing is to fit and worn by the student properly. Clothing that is too tight, too baggy/loose, too long, or too short will not be permitted.

For out of uniform days, all uniform rules about modesty and fit still apply. No midriff, sleeveless, or revealing clothing, etc. Clothing that promotes alcohol, drugs, violence, or political positions is not permitted.
